Customize your device
From a home screen swipe up, and tap **Settings** to customize, connect or turn on options to personalize your device.

- **Wallpaper** Change the look of the Home and Lock screens.
- **Accounts and backup** Tap users to add additional users for the device.
- **Security** Set security options.

Connections  
Connect to Wi-Fi network, Bluetooth device and other connection options.

Lockscreen  
Select a screen lock type and set security options.

Display  
Customize the Home screen and display brightness.

Sounds  
Set device volume and sounds.
Set up your device

Install an optional microSD card

1. Use the tray removal tool to open the microSD card tray.
2. Insert the microSD card (sold separately) into the tray with the gold contacts facing down, as shown.

Charge the battery

Before turning on your device charge it fully with the provided charger.

Learn more

The Help feature will give you access to the user manual and information on how to use your device.

To open the Help feature, from the Home screen, swipe up and tap Settings > Help.

Notice: Use only Samsung approved charging devices and batteries. Samsung accessories are designed for your device to maximize battery life. Using other accessories may void your warranty and may cause damage.
