ACCESSIBILITY SETTINGS

Set your phone

Your SIM card may be pre-installed.

Note:
Use only Samsung-approved charging devices and accessories. Samsung accessories are designed for your device to maximize battery life. Using other accessories may void your warranty and may cause damage.

SHUT OFF BATTERY TRAY

Use the tool to open the battery cover and remove.

MICROSD/SD CARD

Place the SD card with the gold contacts facing down.

INSERT SIM/microSD CARD

Remove SIM/microSD tray. Insert the SIM/microSD card into the tray with the gold contacts facing down.

BACKUP AND RESTORE

Setting: backing up/restore, factory reset and Wi-Fi network.

CHARGE YOUR DEVICE

Before turning on your phone, charge it fully.

CHARGE YOUR DEVICE

Get help transferring contacts, photos and other content from your old phone at samsung.com/smartswitch.

REMOVE SIM/microSD TRAY

Use the tool to open the tray and remove.

SHUT OFF BATTERY TRAY

Use the tool to open the battery cover and remove.

Review manual settings and instructions. Samsung cannot be held responsible for any issues resulting from the incorrect installation, usage, or misuse of the device and accessories.
Create an AR Emoji
Turn your selfie into an emoji.
1. From the Home screen, tap Camera > AR Emoji > Create My Emoji.
2. Tap the photo you want to customize and save your emoji.

Personalize messages with an emoji
1. Tap Messages > New message > Enter message field.
2. Tap Stickers to add a GIF or your very own emoji or sticker, and then tap Send.

Performance

Camera
Features
• Dual Pixel: Focus in a blink.
• Dual Aperture: Adjust to bright light and super low light automatically.
• Wide-angle: Capture more of the scene.
• High-dynamic-range (HDR): Film recording. Ensure bright colors are bright, while keeping dark colors dark.
• Scene optimizer: Recognize and optimize scenes and colors for brilliant photos.
• Artistic Live Focus: Blur the background of a photo to make the subject stand out.
• Zoom: Get a closer view of faraway subjects.
• Hyperlapse: Create a motion shot while recording a time-lapse video.
• Super slow-mo: Capture motion at 240 frames per second.
• Slow motion: Capture motion at 256 frames per second.

Bixby Vision
• Identify objects and locations.

Recent apps
Enjoy the new full-screen view of recent apps.
Tap Recents to view a list of recently opened apps.
• Tap an app icon to view options.
• Swipe up to close.
• Swipe down to open.

Wireless PowerShare
Wirelessly charge compatible devices right from your phone.
1. Drag the Status bar down to display the Notification panel.
2. Touch and drag —— to access all Quick Settings options.
4. With the phone face down, place the device on the back of the phone to charge.

Bixby Routines
Create custom routines that change your phone settings based on your location or activity. For example, while driving you can create a routine to automatically read your messages aloud.
1. Drag the Status bar down to display the Notification panel.
2. Touch and drag —— to access all Quick Settings options.
3. Tap Bixby Routines.
4. Touch and hold to set up.
