Displaying All Apps

Your apps are just a swipe away
From the Home screen, swipe up to display Apps.

Quick Settings
Drag the Status bar down to display the Notification panel.
Pull down twice to access device functions such as Airplane mode, Flashlight, and Mobile Hotspot allowing you to turn them on or off.

Feature: Smart Switch
Easily transfer your photos, videos, music, apps and more with Samsung Smart Switch™.
1. Connect your new Galaxy phone to your old device using the included USB connector and the cable from your old phone.
2. Select Smart Switch during setup or from the Home screen by swiping up for Apps and then tap Settings > Cloud and accounts > Smart Switch.
3. Select the items you want to transfer to your new phone.

See more with AT&T Video Call
One-touch video calling built into your smartphone, no app to download, no separate account to configure, and no password to enter.
• Simply tap Video Call on the dialer or in your contacts.
• Switch between HD voice and video at any time during a call.

Feature: Camera

Take a Picture
From the home screen, tap Camera.
• Drag left or right to zoom in or out.
• Tap to take a photo.
• Tap or swipe up to take selfies.
• Swipe right or left to select a shooting mode.

Record a Video
From the home screen, tap Camera.
• Tap to start recording.
• Tap to capture a picture while recording.
• Tap to pause recording.
• Tap to end recording.

Feature: Hello Bixby
To launch Hello Bixby, press the Bixby key.
Hello Bixby allows you to quickly set reminders, create voice dictation, search and access content on your phone and on the Internet.*
