Terms and Conditions

Read this document before operating the mobile device, accessories, or software (defined collectively and individually as the “Product”) and keep it for future reference. This document contains important Terms and Conditions. Electronic acceptance, opening the packaging, use, or retention of the Product constitutes acceptance of these Terms and Conditions.

Revised 06/2019

Important legal information

Arbitration Agreement - This Product is subject to a binding arbitration agreement between you and SAMSUNG ELECTRONICS AMERICA, INC. (“Samsung”). You can opt out of the agreement within 30 calendar days of the first consumer purchase by emailing optout@samsung.com or calling 1-800-SAMSUNG (726-7846) and providing the applicable information.

The full Arbitration Agreement, Standard One-Year Limited Warranty, End User License Agreement (EULA), and Health & Safety Information for your device are available online:

- English: www.samsung.com/us/legal/Phone-HG-Side-GP
- Spanish: www.samsung.com/us/legal/Phone-HG-Side-SP
- This information can also be found in the device in the “About device” or “About tablet” section, for example:

- Settings > About phone > About device or About tablet > Legal information: Samsung legal
- Or, Search “Legal”

If your device required Federal Communications Commission (FCC) approval, you can view the FCC certification by opening Settings > About phone or About device or About tablet > Status.

Class 1 Laser Product

Do not open the sealed cell phone case.

Caution! Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.

Certification Label

“Complies with FDA performance standards for laser products except for deviations pursuant to Laser Notice No. 50, dated June 24, 2007.”

ID Label

Samsung Electronics America, Inc.
85 Challenger Road
Ridgefield Park, NJ 07660

Samsung mobile products and recycling

WARNING! Never dispose of batteries in a Fire because they may explode. Do not disassemble, crush, puncture, heat, burn or reuse.

For battery and cell phone recycling, go to call2recycle.org or call 1-800-822-8837. For more recycling information, go to our website: www.samsung.com/recycling or call 1-800-SAMSUNG.

Your location

By using your location information on your mobile device, you agree to the approximate location of a mobile device. If you use applications that require location-based information (e.g., driving directions), such information may be shared with third-parties, including your wireless service provider, application providers, Samsung, and other third-parties providing services.

Navigation

Maps, directions, and other navigation data, including data relating to your current location, may contain inaccurate or incomplete data. Therefore, you should always pay attention to road conditions, closures, traffic, and all other factors that may impact safe driving or walking.

FCC Part 15 Information and Notices

This device complies with part 15 of the FCC Rules. Operation is subject to conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

GPS & AGPS

Certain Samsung Mobile Devices can use a Global Positioning System (GPS) signal for location-based applications. Operation may affect the performance of location-based technology on your mobile device.

FCC Hearing Aid Compatibility (HAC) regulations for wireless devices

Certain Samsung Mobile Devices can also use an Assisted Global Positioning System (AGPS), which obtains information from the cellular network to improve GPS performance. Contact your wireless service provider for details.

Use of AGPS in emergency calls

When you make an emergency call, the cellular network may activate AGPS technology in your mobile device to help the emergency responders pinpoint your location. AGPS has limitations and might not work in your area.

Commercial Mobile Alerting System (CMAS)

This device is designed to receive Wireless Emergency Alerts from CMAS. Check your carrier for CMAS participation and coverage.

Emergency calls

Emergency calls may not be possible on all wireless mobile device networks or when certain network services and/or mobile device features are in use. Check with your wireless service provider. If certain features are inuse (e.g. call blocking) you may not be able to reactivate those features before you can make an emergency call.
